INFORMATION BULLETIN & ADMISSION PROSPECTUS FOR UNDERGRADUATE & DIPLOMA COURSES 2022-23

“It is the education which is right weapon to cut the social slavery and it is the education which will enlighten the downtrodden masses to come up and gain social status, economic betterment and political freedom”

-Bharat Ratna Dr. B. R. Ambedkar

BABASAHEB BHIMRAO AMBEDKAR UNIVERSITY

Babasaheb Bhimrao Ambedkar University was established by an act passed by the parliament (No. 58 of 1994). The University came into existence on 10.01.1996 vide GOI, Ministry of HRD, Education Department Notification No. 8-16/GOI/desk/U-1 dated 05.01.1996. The basic philosophy and policies of the University are spelt out and enshrined in the University Act and Statutes. The University offers graduate and post-graduate students the knowledge and skills needed to succeed as persons and professionals with values and sensitivity necessary to serve the society. The University distinguishes itself as a socially responsible learning community of high quality scholarship and academic rigor sustained by social justice and equity principles for which Babasaheb Bhimrao Ambedkar worked during his lifetime. The University draws from the cultural, intellectual and economic resources of Uttar Pradesh and other states to enrich and strengthen its educational programs.

The University is preparing students from rural mainland of Uttar Pradesh, and all parts of India in general, often coming from marginalized sections for leadership in a complex world.

It offers the kind of education needed through various inclusive, society-oriented programs for transforming our country in the disciplines of – Humanities and Sciences, Engineering, Agriculture, Biotechnology, Business, Law, Education and Environmental Sciences – through a breadth of highly regarded degree programs that allow students the freedom to explore their intellectual and personal growth. The faculty members at our University accept their responsibilities conscientiously, share leadership in a democratic spirit, and maintain subject to the highest standards of public trust. University offers 99 courses that include Diploma/integrated PG Programmes/UG/PG and Ph.D.at its main campus and satellite centre at Amethi.

The University strives to fulfill the objectives of its inception. There is a special provision of 50 percent reservation in all courses for the students of Schedule Caste and Schedule Tribes. Now with the government directives, the University also offers 10 percent seats reserved for the Economically Weaker Section. The University also provides fee exemption for the students of the Schedule Caste and Schedule Tribes in regular courses. The University also provides financial assistance to the Schedule Caste and Schedule Tribe students for their dissertation and thesis preparation. The University also has a satellite center at Amethi, started in the year of 2016. The University has a fully air conditioned and well-furnished Central Library namely Gautam Buddha Library having more than 50 thousand books and 10 thousand online journals along with Departmental Libraries in the respective departments to cater the demand of the students pursuing studies in the University. The University has one health Centre with availability of doctor round the clock and provides residential facilities for the students and faculties too. For the overall development of the students, University has a Centre for the Personality Development with Residential Coaching Programme (RCP), Remedial Coaching Academy (RCA) and Dr. Ambedkar Center of Excellence.

Vision-

The vision of the University is “To be a dynamic, creative and competitive Centre of Excellence in advanced knowledge, especially relevant for the development of the nation and of the socially, educationally and economically marginalized sections of the people”.

In the coming years, BBAU will be taking up a range of other activities designed to further preserve our environment; provide learning experiences surpassing cultured linguistic and geographical boundaries making our socially and ethically responsible global citizens. The University has designed a roadmap to achieve excellence, in making learner centre education through collaborations, and rigorous training promising employability for our graduates the strategic initiatives of Universities includes major focus on emerging global educational trends fair and sustainable human development and creation of knowledge base society which is ready to face the unforeseen challenges of tomorrow's world. The University also plans to own a radio station for the dissemination of community oriented information, education and knowledge.

New initiatives undertaken by the University are towards improving infrastructure, campus development, the welfare of the faculties and students, empowerment of women and weaker sections, creation of sports, health and other facilities, establishing new hostels for student, initiating innovation in academic and extra-curricular activities. The University is making serious efforts to attract the students from other countries. In this direction, an International student center has been created which will work exclusively for the international students and their Hassel free admission. An office of Dean R&D has been established to promote collaborations, consultancy services based on principals of public private partnership. These endeavors of University are surely going to earn laurels for the University.

Mission of the University-

- To promote advanced knowledge by providing instructional and research facilities in such branches of learning as it may deem fit.
- To make provisions for integrated courses in science and key frontier areas of Technology and other allied disciplines in the educational programmes of the University
- To offer appropriate courses relevant for the development of socially and economically depressed section soft he people including agricultural technology and rural crafts
- To promote the study of the principles for which Dr. Babasaheb Bhimrao Ambedkar stood and worked during his life time, namely, national integration, social justice and democratic way of life
- To promote the study of the constitution of the world and to take appropriate measures for promoting innovations in teaching learning processes in inter-disciplinary studies and research
- To pay special attention for the promotion of educational and economic interest and welfare of the people in general and of members belonging to Schedule Caste and Schedule Tribe in particular by providing an adequate percentage of seats for the main admission.

MESSAGE FROM THE VICE-CHANCELLOR

Babasaheb Bhimrao Ambedkar University, Lucknow has become an ensemble of a multi-layered educational system in myriad disciplines which covers different aspects of teaching and research in various UG and PG Departments including, Ph.D. programmes. We attract the brightest young minds from all over the country. They use the supporting and innovative research space provided by BBAU to actualize their potential.

We at BBAU firmly believe and practice the dictum “Pragya Sheel Karuna” the logo of the University and strive to prepare students to become better citizens of our country irrespective of their cultural and financial moorings and contribute to the welfare of society and development of country. BBAU has been on the path of delivering quality education by developing young human resources on the foundation of ethical and moral values while boosting their leadership qualities, research culture and innovative skills.

Built on a sprawling 250 acres of lush green campus, this ‘temple of learning’ has excellent state-of-the-art infrastructure facilities conducive to higher teaching-learning environment and research. The main objective of the University is to provide higher education of global standards and hence, all the curricular programs are designed to meet international standards. Highly experienced and qualified faculty members, are continuously engaged in the maintenance and enhancement of a student-centric learning environment through innovative pedagogy, which forms the backbone of the University.

In recent years, BBAU, Lucknow has made significant strides. It got NAAC Accreditation in first cycle with Grade ‘A’ and has been ranked consistently at a higher pedestal by various ranking frameworks. In 2021 National Rankings the University has been ranked at 65th position in top 100 universities in India. Even we have started taking steps to gear up to participate in the world rankings. The University has been benchmarking its teaching and research processes by increasing its interface with foreign educational institutions through strategic MOUs for faculty and student exchange, joint research, joint conference and joint publication. International visibility of the University is being given top priority. We are constantly striving to boost quality education and draw the best academic and research personnel to the University. We are encouraging entrepreneurship and innovation on the campus by partnering with Dalit Indian Chamber of Commerce and Industry(DICCI) and EDI, Ahmedabad and facilitating campus recruitments and consistently striving to connect our students to the world.

The move towards inter-disciplinary research has opened up several options as well as created multiple challenges before the nation. At this juncture where young students are opting for global standard education, the major focus should be on creating a platform for quality knowledge and bridging the gap between academia and industry.

It is a matter of great pride and privilege to be the Head of this esteemed University that prepares students to meet the challenges of the

present day society. This has become possible with the untiring efforts of our University fraternity who have excellent academic conscience. Most of the Faculty members of the University are involved in research by attracting funded projects from various research organizations like UGC, CSIR, ICSSR, DST, DBT, AICTE and industries. The outcome of the research is passed on to the students through live training and projects. The entrepreneurial zeal of the students is encouraged and nurtured through Entrepreneurial training.

I, therefore, call all the budding students to come and be the part of academic ventures of the University and become scientists, academicians and renowned researchers of tomorrow.

Prof. Sanjay Singh
Vice Chancellor

University Facilities

Computer Centre-

Presently University has a Computer Centre equipped with computers and internet facilities under the infonet program of UGC scheme, which is open for all. The University is also connected with National Knowledge Network (NKN).

Health Care-

The University provides health services through medical consultants to all the students, administrative staff, faculty members and subordinate staff of the University including boys' hostel and girls' hostel for the residential students of the University. University has also established Yoga and Wellness centre with the help of state government to provide alternative health care with dedicated instructors/consultants to all the staff and students.

Student Counseling Centre-

The student counseling centre at Babasaheb Bhimrao Ambedkar University, Lucknow was established in 2016 to offer support services to its students. This centre has been involved in providing individual counseling and developmental group activities including workshops for the students of the University. The counselor is available at the centre to help the students in their day to day issues which further lead to improve their overall performance. In order to extend support to the students, different workshops on relevant topics are regularly organized by the counselor and team of experts. The services offered by the counseling centre are exclusively offered to the students of the University and in the course of offering services the confidentiality is being maintained by the centre, wherever applicable.

Information & Guidance Bureau (I & GB)-

In order to build their career, students need to know what the options available to them are and where and how they can achieve it. It is committed to do the needful for the benefit of the students.

The main function of the Bureau is to disseminate the employment information for various courses offered by the University. The students are explained about various job opportunities and schemes of competitive examinations and about higher education in India and abroad. Tasks of the bureau are to conduct career workshops where eminent personalities from different walks of life address the students, collect and display various career related information, provide handbooks of foreign universities, newspapers, bulletin of sister bureau, employment news and other

professional information for the reference of students. Further, it is also to render vocational guidance to the students individually or in group and to collect and disseminate information related to training facilities, financial assistance available in India and abroad.

LAN/Wi-Fi-

Most buildings in the University such as Administrative Block, Departments, Hostels, and some residential quarters in the campus are fully equipped with LAN facility. The state of the art Wi-Fi connectivity across the campus provides high-speed internet.

Library-

The Gautam Buddha Central library is housed in a separate huge library building and fulfills its objective to supplement educational and information needs of the faculty and students through its books and periodical sections having adequate reading rooms, journals and video library. It is equipped to facilitate visually handicapped students as well. The library services are also extended to non-teaching staff and visitors. It has adequate collection to satisfy the information need of the user.

Guest House-

The guest house of the University is located within the University campus and is providing round the clock boarding and lodging services to guests. Guest house rooms are allotted to University guests free of cost and to other state or central govt. organizations, universities, public sector undertakings on request, subject to availability, on payment. However, first priority is given to the University activities.

Mess /Canteen-

The mess facility is available in the University in all the hostels. A canteen is also running in the campus during working days which is open for all.

University Placement Cell (UPC)-

Since its inception, the cell is helping the students to be placed in various organizations across India and abroad. The UPC is dedicated to support the students in their pursuit to get jobs in reputed organizations in India and abroad. Placement cell also regularly organizes specialized lectures, workshops and job fairs to provide students a platform to showcase their talents.

SC/ST Cell-

The staff of the SC/ST cell is actively engaged in coordinating and solving the problems in the matter of admissions in the University, utilization and timely disbursement of scholarships, accommodation in hostels, conduct of remedial coaching, UGC-NET coaching, competitive examination coaching and other measures with a view to see that the education system succeeds in bringing the Schedule Castes and Scheduled Tribes to a level quantitatively as well as qualitatively at par with the rest of the society. The cell is also instrumental in monitoring the implementation of rule of reservation for SC/ST in admission and appointments on teaching as well as non-teaching posts. Further a Gold Medal also is awarded to topper among the SC/ST students.

Coaching Centre For SC/ST/Minorities-

The University offers the following programmes for the development of SC/ST and minority students.

1. **UGC Remedial Coaching Programme (RCP):** Under RCP, additional coaching is provided to the students who face difficulties in learning the subject concerned and English language. In addition, it conducts classes for personality development.
2. **UGC NET Coaching Programme:** It offers special coaching for joint CSIR–UGC NET examinations which are being conducted twice a year.
3. **Residential Coaching Academy:** This Programme offers special coaching for Civil Services (IAS/IPS/IFS), State Services, SSC, RRB and other competitive examinations which are being conducted by the Central and State Governments.

Sports-

A healthy person keeps a healthy and active mind and sports are the best mechanism to accomplish that objective. The University, being sensitive for the overall development of students, realizes that a balance in physical, mental and emotional growth is essential for the complete development of personality.

At present, the University has a multipurpose sports ground in the campus having facilities like Football, Volleyball, Cricket, athletics etc. In addition, there is an indoor Gymnasium equipped with all modern facilities for physical training. Indoor games like Badminton, Table Tennis, Chess, and Carom facilities are available. All the games, indoor and outdoor, are facilitated by experts and trainers. University is sure that these facilities would instill in students a sense of confidence besides physical fitness. It would help them in becoming a complete human being so that they can withstand the challenges of life.

University Science Instrumentation Centre (USIC) -

As per the UGC's mandate, University has established University Sophisticated Instruments Centre (USIC) as central facility. In fact, the creation of such a center is becoming obligatory for every University for the reason that the modern day science demands the use of precision equipment's for the acceptability of data. Such centres help stop duplication of sophisticated equipment, which cost huge amount and in turn help in regulating the use of the sanctioned money in the most judicious way. This is housed on the ground floor of the School for Environmental Sciences building. USIC has four precision equipments:

1. Scanning Electron Microscope, (SEM, Model JSM-6490LV of JEOL, and Japan) with EDX facility and two preparatory units, viz., Critical Point Dryer and Ion Sputter Coater;
2. Fourier Transform Infrared Spectrometer with ATR-Attenuated Total Reflectance (FT-IR Spectrometer, Model Nicolet TM 6700 OF Thermo Scientific, USA);
3. Fast Performance Liquid Chromatography (FPLC, Model EKTA 10 of GE Healthcare Bioscience. Sweden).
4. X-ray Diffractometer (XRD, Model: D8 Advance Eco, Bruker, Singapore) has been procured and is under regular use in USIC.
5. Purchases of Inverted Laser Scanning Confocal Microscope from Carl Zeiss India (Bangalore) Pvt. Ltd. And Preparatory HPLC from Spinco Biotech Pvt. Ltd are under final stage.

Women Cell And Day Care Centre-

The University is doing a lot of work towards gender equality. As a path breaking decision, a provision of gender budgeting has been made on BBAU financial road map. Gender budgeting basically means that a part of the budget will be set aside for gender specific activities.

The University has basic facilities for the women employees and girl students including a day care center in the campus.

National Cadet Corps (NCC) And National Services Scheme (NSS)-

Training in NCC instills qualities like nationalism, patriotism, discipline, team spirit, spirit-de-corps, leadership and self-confidence and promotes overall personality development. NCC gives a tremendous support to one and all for betterment, irrespective of caste, creed, religion or economic status. Based on the aims of NCC, the syllabi for the Senior Wing/Division cadets cover a period of three years.

Similarly, to develop a sense of social and civic responsibility among the students, BBAU NSS wing was started with following objectives:

1. To make understand the community in which they work,
2. To understand themselves in relation to their community,
To identify the needs and problems of the community and involve them in problem-solving.
